

# ORDER OF PLAY WEEKLY SCHEDULE

The weekly schedule is outlined below. We would like to draw your attention to the following points:

- Spectators are only able to watch matches on the show court. Matches on court 2 will be screened live on BT Sport but will not be open to watching live on court side.
- The allocation of matches on court will be at the discretion of the referee and the tournament organiser. It is the intention to put the most attractive matches on the show court but this will be dependant upon the structure of the tournament and the needs of the players involved.
